

# Wayne Birt

*I am the Director of Birt & Currie Surveyors Limited. I have practised throughout the Northland Region since 1991 on a wide range of land development projects. My responsibilities include project scoping and analysis of project parameters, provision of planning advice and resource consent applications, including attendances at Judicial Hearings, Legal (Cadastral) Surveys, civil design of access and services, project management and liaison with other professionals and experts to see a project to its successful conclusion. I have provided expert witness for planning and measurement matters at various levels.*
